

*Giving a Voice to Creativity!*

*Every heart is filled with magic.*

When that magic comes to light through a story,  
it needs wings to be shared with the world.

## **ENTER our Book and Art Contest**

**DO YOU LIKE TO WRITE OR DRAW? Do you have a story in you? Do you or your son or daughter have a disability and have a dream of becoming an Illustrator or Published Author? Check out our contest. You may just get published.**

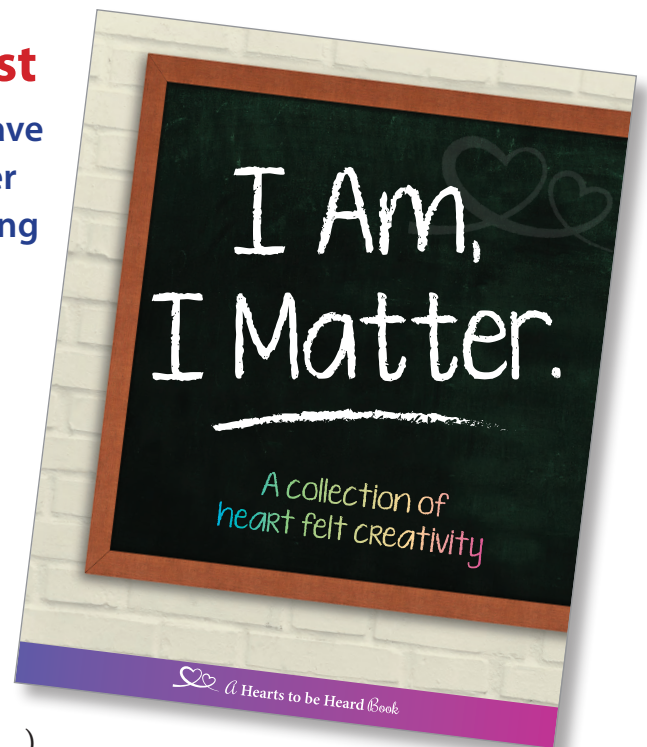

This contest is open to everyone under the age of 16 and over the age of 16 if they have a disability.

Each submission has the possibility of being part of a collaborative book.

The title of the each book will be “**I Am, I Matter**” and the content of the book is: Who “**I AM**” and why do “**I Matter**”. An example would be: I AM especially *Happy* (or *Grateful* or *Strong* or *Inspired*) when *I Matter* to my family (or friends or teacher or...).

Each of the stories will have a message to uplift and motivate their peers. This will leave the reader with a clear message of why they matter.
